Principal's Message

Thank you for inquiring about Amelia Earhart Elementary School of International Studies, an IB World School. I am very proud to share our accomplishments and goals with you. We offer a challenging curriculum, based on state standards, as well as the International Baccalaureate Primary Years Programme (IB/PYP). This is designed to develop students' critical thinking skills while modeling positive behaviors and attitudes. It is our goal to develop respectful and compassionate world citizens.

Earhart Elementary is an authorized IB/PYP World School. Instruction in the core curriculum is aligned to California State Standards and augmented by inquire-based units as outlined in the IB-PYP framework. Our specialists offer instruction in Spanish, music, and physical education. Our staff is actively involved with data-driven decision making, participates in up-to-date training and believes in Professional Learning Communities as we work to meet the needs of individual students.

The Earhart school community is committed to providing a world-class educational experience. Students, teachers, administrators, parents, staff, and each member of this community continue to work above and beyond for continuous improvement. On behalf of the school's staff and students, I look forward to another successful year. I encourage your participation and welcome any suggestions, ideas, or comments that will assist us in maintaining our level of excellence.

Mission Statement

The mission of the Desert Sands Unified School District, a dynamic system of challenging educational choices, is to ensure that every student develops the skills and knowledge to succeed as an independent thinker, life-long learner, and productive, ethical global citizen, by creating collaborative learning communities of caring, committed, qualified staff, working in partnership with diverse families and our community to assure each student equal access to student-focused learning environments.

School Profile

Amelia Earhart Elementary School is located in the northern region of Indio and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2009-10 school year, 901 students were enrolled, including 7% in special education, 11% qualifying for English Language Learner support, and 34% qualifying for free or reduced price lunch. Amelia Earhart Elementary School achieved a 2010 Academic Performance Index (API) score of 868 and met all 2010 Adequate Yearly Progress criteria.

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Physical Fitness

The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Physical fitness testing data for the 2009-10 school year was not available at the time of publication of this report.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2009-10 AYP cycle, elementary and middle schools must achieve a 56.8% or higher proficiency rate in all subgroup populations for English/Language Arts and 58% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 680 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2009-10, Amelia Earhart Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through school newsletters, the school website, SynerVoice (automated telephone message delivery system), teacher newsletters, teacher websites, Parent Teacher Organization newsletters, and the electronic marquee. Contact Brad Fisher at (760) 200-3720 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Amelia Earhart Elementary School's original facilities were built in 2001. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, a bird sanctuary was completed.

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Amelia Earhart Elementary School. The day custodian is responsible for:

- Office area cleaning
- Restroom cleaning
- Evening activities setup/cleanup
- Lunch area/campus setup/cleanup

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Restroom cleaning
- Kitchen area cleaning
- Set up of next day events

The principal communicates with the custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Amelia Earhart Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2009-10 school year, Amelia Earhart Elementary School received \$6,247 in deferred maintenance funds for the repair and/or maintenance of:

- Heating/Air Conditioning Systems

Facilities Inspection

The district's maintenance department inspects Amelia Earhart Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Amelia Earhart Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, December 22, 2010. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2009-10, all restrooms were fully functional and available for student use.

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, teachers, and yard duty supervisors are strategically assigned to designated entrance areas and the playground. During recess, the principal, teachers, and yard duty supervisors supervise playground activity. The principal and yard duty supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, teachers, and yard duty supervisors monitor student behavior to ensure a safe and orderly departure.

Amelia Earhart Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Amelia Earhart Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff in September 2010.

Classroom Environment

Instructional Time

All instructional time offered at Amelia Earhart Elementary School either meets or exceeds California's Education Code requirements. For the 2009-10 school year, Amelia Earhart Elementary School offered 180 days of instruction comprised of 135 regular days and 45 minimum days. Minimum days were used for parent conferences, staff meetings, and teacher planning.

The table below is a comparison of the instructional minutes offered and the state's instructional time requirements.

Instructional Minutes 2009-10		
Grade Level	Actual Minutes Offered	State Requirement
K	36,900	36,000
1-3	51,660	50,400
4-5	55,170	54,000

Discipline & Climate for Learning

Amelia Earhart Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Amelia Earhart Elementary School participates in the state's Class Size Reduction Program (CSR), which provides funding to reduce K-3 class sizes to 20 students or less. During the 2009-10 school year, 100% of Amelia Earhart Elementary School's K-3 classes participated in the CSR Program. The "Percentage of K-3 Classrooms Participating in the Class Size Reduction Program" table in this report illustrates the participation rate of classrooms in the CSR by grade level.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Amelia Earhart Elementary School revolve around the California State Content Standards and Frameworks. During the 2009-10 school year, Amelia Earhart Elementary School held staff development training devoted to:

- Professional Learning Communities
- Motivational Speaker on Team Building
- Electronic Report Card Training
- Math Adoption Training
- International Baccalaureate Update Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Amelia Earhart Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need.

Amelia Earhart Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Amelia Earhart Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 19, 2010, the Desert Sands Unified's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 16/2010-2011 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2010-11 school year, Desert Sands Unified provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Amelia Earhart Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Amelia Earhart Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is

on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Teacher Assignment

During the 2009-10 school year, Amelia Earhart Elementary School had 38 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2008-09 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2008-09 school year, Desert Sands Unified spent an average of \$8,265 of total general funds to educate each student (based on 2008-09 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Desert Sands Unified receives state and federal categorical funding for special programs. For the 2008-09 school year, the district received categorical, special education, and support programs funds for:

- After School Learning & Safety
