Principal's Message

Welcome to Hoover Elementary School. As always it is an honor and a pleasure to work with staff, parents, and community members whose number #1 goal is academic achievement for all of our students.

Hoover School shares our district mission which is to offer a dynamic system of challenging educational choices, to ensure that every student develops the knowledge, skills and motivation to succeed as a productive, ethical, global citizen by assuring equal access to student-centered learning provided by caring, committed, collaborative staff working in partnership with our families and diverse communities. With this mission in mind, it is with great pleasure that I share with our community that Hoover School is not a program improvement school and our staff continues to strive for an 800 Academic Performance Index. We are very proud of our current API of 774.

Keeping this mission in mind, the staff at Hoover School will continue their commitment for professional development training in all academic areas, thus providing our students with a high quality, and rigorous, standard based instructional program that assures the students' academic achievement suited to their abilities. We are proud of recent efforts to make gains on California Standards Test and will continue to provide a strong academic atmosphere to ensure continued success.

Our parents play a very important role in our school. Their support and participation is evident in their attendance to the many school activities, such as Family Academic Fair Night, Parent-Teacher Conferences, School Site Council meetings, Spring Performance, and May Fiesta. Mr. Ruben Diaz, presidents of our School Site Council, and Mrs. Elsa Solis, president of our Parent's Club, are very active in the decision-making process at Hoover School.

As we look at the coming year, it is our expectation that students recognize that school is a challenge, a privilege, a responsibility, a right, and an opportunity for lifelong learning, challenges and opportunities.

Maria L. Fernandez, Principal

Mission Statement

The mission of the Desert Sands Unified School District, a dynamic system of challenging educational choices, is to ensure that every student develops the skills and knowledge to succeed as an independent thinker, life-long learner, and productive, ethical global citizen, by creating collaborative learning communities of caring, committed, qualified staff, working in partnership with diverse families and our community to assure each student equal access to student-focused learning environments.

School Profile

Herbert Hoover Elementary School is located in the southern region of Indio and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2009-10 school year, 489 students were enrolled, including 9% in special education, 51% qualifying for English Language Learner support, and 98% qualifying for free or reduced price lunch. Herbert Hoover Elementary School achieved a 2010 Academic Performance Index (API) score of 774.

Student Enrollment by Ethnicity / Grade Level 2009-10			
Ethnic Group	%	Grade Level	#
African-Amer.	2.04 %	Kindergarten	94
Amer. Indian or Alaskan Native	0.00 %	Grade 1	94
Asian	0.00 %	Grade 2	83
Filipino	0.20 %	Grade 3	95
Hisp. or Latino	95.91 %	Grade 4	61
Pacific Islander	0.00 %	Grade 5	62
Caucasian	1.64 %		
Multi-Racial	0.00 %		
Total Enrollment			489

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Physical Fitness

The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Physical fitness testing data for the 2009-10 school year was not available at the time of publication of this report.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2009-10 AYP cycle, elementary and middle schools must achieve a 56.8% or higher proficiency rate in all subgroup populations for

English/Language Arts and 58% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 680 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Math	Yes	Yes
<i>Percent Proficient</i>		
Language Arts	No	No
Math	Yes	No
API Score	Yes	Yes
Graduation Rate	N/A	Yes

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2009-10, Herbert Hoover Elementary School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school website, and parent conferences. Contact Maria L. Fernandez, Principal, at (760) 775-3820 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Herbert Hoover Elementary School's original facilities were built in 1952. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. The removal of four portables has been scheduled.

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Herbert Hoover Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as

needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with the custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Herbert Hoover Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2009-10 school year, Herbert Hoover Elementary School received \$105,698 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing
- Heating/Air Conditioning Systems

Facilities Inspection

The district's maintenance department inspects Herbert Hoover Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Herbert Hoover Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, January 12, 2010. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2009-10, all restrooms were fully functional and available for student use.

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators and yard duty supervisors are strategically assigned to designated entrance areas and the playground. Administrators, yard duty supervisors, and the counselor monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators, yard duty supervisors, and the counselor monitor student behavior to ensure a safe and orderly departure.

Herbert Hoover Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Herbert Hoover Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff in September 2010.

Classroom Environment

Instructional Time

All instructional time offered at Herbert Hoover Elementary School either meets or exceeds California's Education Code requirements. For the 2009-10 school year, Herbert Hoover Elementary School offered 180 days of instruction comprised of 155 regular days and 25 minimum days. Minimum days were used for

parent conferences, staff meetings, and teacher planning.

The table below is a comparison of the instructional minutes offered and the state's instructional time requirements.

Instructional Minutes 2009-10		
Grade Level	Actual Minutes Offered	State Requirement
K	54,390	36,000
1-3	51,940	50,400
4-5	55,445	54,000

Discipline & Climate for Learning

Herbert Hoover Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	HHES		
	07-08	08-09	09-10
Suspensions (#)	50	73	21
Suspensions (%)	9.58 %	13.64 %	4.29 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %
DSUSD Elementary Schools			
Suspensions (#)	370	531	349
Suspensions (%)	2.84 %	4.07 %	2.66 %
Expulsions (#)	2	5	5
Expulsions (%)	0.02 %	0.04 %	0.04 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Herbert Hoover Elementary School participates in the state's Class Size Reduction Program (CSR), which provides funding to reduce K-3 class sizes to 20 students or less. During the 2009-10 school year, 100% of Herbert Hoover Elementary School's K-3 classes participated in the CSR Program. The "Percentage of K-3 Classrooms Participating in the Class Size Reduction Program" table in this report illustrates the participation rate of classrooms in the CSR by grade level.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Herbert Hoover Elementary School revolve around the California State Content Standards and Frameworks. During the 2009-10 school year, Herbert Hoover Elementary School held staff development training devoted to:

- Data Analysis and Instructional Standards
- Instructional Strategies
- Thinking Maps
- Informational Reading
- Math Adoption Training
- Focusing on Academic Vocabulary, Comprehension, and Oral Language

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Herbert Hoover Elementary School supports ongoing professional growth

throughout the year on minimum days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need.

Herbert Hoover Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Herbert Hoover Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 19, 2010, the Desert Sands Unified's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 16/2010-2011 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2010-11 school year, Desert Sands Unified provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

Professional Staff

Counseling & Support Staff

Herbert Hoover Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Herbert Hoover Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2009-10		
	No. of Staff	FTE
Counselor	2	1.0

* as needed

Counselor-to-Student Ratio: 1:245

FTE = Full-Time Equivalent

Teacher Assignment

During the 2009-10 school year, Herbert Hoover Elementary School had 28 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are

those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2009-10		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2008-09 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2008-09		
	DSUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$42,678	\$42,377
Mid-Range Teacher Salary	\$69,129	\$67,667
Highest Teacher Salary	\$84,793	\$87,102
Superintendent Salary	\$210,000	\$223,323
Average Principal Salaries:		
Elementary School	\$107,692	\$108,894

Administrative Salaries	3.9%	5.5%

Expenditures Per Student

For the 2008-09 school year, Desert Sands Unified spent an average of \$8,265 of total general funds to educate each student (based on 2008-09 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Desert Sands Unified receives state and federal categorical funding for special programs. For the 2008-09 school year, the district received categorical, special education, and support programs funds for:

- After School Learning & Safety
- Agricultural Vocational Incentive Grants
- ARRA: State Fiscal Stabilization Fund
- California Peer Assistance & Review Program for Teachers (CPARP)
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- Indian Education
- Instructional Materials
- Lottery: Instructional Materials
- Partnership Academies Program
- Quality Education Investment Act
- School Community Violence Prevention Grant
- Special Education
- Teacher Recruitment/Incentives
- Title I
- Title II
- Title III
- Title IV

- Title V
- Tobacco-Use Prevention Education
- Transportation
- Transportation: Special Education
