## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program  
Additional Targeted Support and Improvement

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

This School Plan is aligned with the District's Local Control and Accountability Plan through collaboration with the District in examining state and local data as part of a comprehensive needs assessment; developing goals, measurable outcomes, and strategies, actions and services that are aligned with those of the district; providing supplemental services that support improved performance for high-needs students; and developing a system for monitoring and evaluating the efficacy of the plan in achieving its goals.

## 2020-23 Plan Summary

### The Story

Describe the students and community and how the school serves them.

Welcome to Ronald Reagan Elementary School, home of the "Regal Eagles." Our school was dedicated October 11, 2006. We are located in the northeastern region of Palm Desert and serve students in grades transitional kindergarten through five following a traditional calendar. Reagan Elementary has quickly grown. At the beginning of the 2018-19 school year, approximately 880 students were enrolled, including 10.7% in special education, 22.2% qualifying for English Language Learner support, and 51.5% qualifying for free or reduced price lunch. The ethnic mix of the school is approximately, 59.7% Hispanic, 28.6% White, and the remaining 11.7% for the remaining groups, primarily Multiracial, Asian, and African-American. This year 2019-2020 Reagan became a Title I Schoolwide Program school, and remains a schoolwide Title 1 School. In 2019, Reagan Elementary launched a Dual Language Immersion Program in Kindergarten. We have added a grade level each year, and in 2023-2024 we will have Dual Language Immersion classes K-4, adding a new grade level each year. Also beginning in 2019, Reagan became an AVID Elementary School, as we prepare all students to have further education and/or career possibilities. .

In 2010, the school received recognition as a California Distinguished School. While in 2009, 2012, and again in 2014 we were named a California Business for Education Excellence (CBEE) Honor Roll School. In 2016, the school was

awarded the California Gold Ribbon School Seal, a California Model Physical Activity and Nutrition (PAN) School, as well as a Title 1 Achieving School. In 2018, we received the California Civic Learning Award, as a School of Merit, and an EdResults California Honor Roll School. In 2019-2020, Reagan was again named California Distinguished School. Most Recently, in 2022, Reagan received the California Pivotal Practice Award, for our efforts throughout the Pandemic. With a motto of "learning today, leading tomorrow," Reagan Elementary embraces all of our students, supporting them in a nurturing and caring environment. Students are challenged daily to meet the rigorous California State Standards as they create their own brilliant futures. The entire learning community of Reagan Elementary recognizes each child's potential and contribution to our whole. Students attending Reagan are taught by a dynamic and experienced team of caring professionals, utilizing 21st century tools, including Chromebook computer sets for Grades 2 through 5, and students in grades K-1 have tablets class sets. Our parents/guardians, volunteers, and community partners help provide support and interaction with our learners daily. Their regular involvement contributes to a wonderful joint venture between home, school and community, benefiting all the children at Reagan Elementary.

In addition to our regular rigorous academic program, students at Reagan benefit from a wide variety of extracurricular experiences and community partnerships that routinely enhance the quality, breadth, and depth of each child's educational experience. Partnerships with the community include: La Quinta Arts Foundation (4th and 5th grade fine art enrichment), Tools for Tomorrow - A Program in the Arts, Mini-Muster with PD Fire Department and Palm Desert Historical Society, McCallum Theatre Institute for Aesthetic Education, Red Dragon Studios - Anti-bullying and self-defense education, and Rotary International - EarlyAct Club (Student Government). Students also receive both "Positive Action" and "Character Counts" citizenship curriculum. We also enjoy community support from Smile Factory, Animal Samaritans, Kiwanis International, and our local Chamber and City governments.

Since the pandemic closed our doors in March of 2020, the school has worked tirelessly to provide the best learning opportunities possible to our students in a virtual environment. All staff, students and their families rode a steep learning curve as we struggled in a never-before-seen situation. The collective commitment to our students resulted in a very robust virtual environment for our students. Additionally, printed materials was provided to all students to support their learning and success. We were so thrilled to reopen our doors to all Reagan Students for the 2021-2022 school year. We provide a safe and nurturing learning environment for all students, recognizing the impact of the pandemic on our entire learning community. As State CAASPP testing resumed in 2022, there were not unexpected huge amounts of learning loss that have occurred for our students. Between school closure, resuming school virtually then in hybrid, and finally back full time the amount of trauma and learning loss has been devastating - especially for those students with less access and support from home. Learning gaps were further exacerbated by a Chronic Absenteeism Rate over 40%. As part of our response, Socio-Emotional Learning activities occur daily in classes to reconnect our students to our school's culture and climate. A part time intervention specialist was also hired to provide remediation in reading foundations and designated ELD.

Our collective and total commitment to all of our children makes Ronald Reagan Elementary School an excellent community of learners, achieving together...one opportunity at a time.

## SPSA Highlights

Identify and briefly summarize the key features of this year's SPSA.

The actions and strategies within our 2023-2024 SPSA support grades TK-5 in efforts to increase reading, writing, and math, and maintain a high level of achievement for all students. Strengthening the focus on English Learners and Students with disabilities will result in a lessening of our achievement gap for those students. Several additional efforts will be put forth to close learning gaps created or exacerbated by the pandemic, and its impact on students' learning and emotional well being.

Professional development will be expanded to include more opportunities for professional growth in instructional technology integration and PLCs. We will continue work with the McCallum and other service providers to improve teaching and learning. Next year we will continue our AVID participation as an AVID Elementary School. All certificated staff will be AVID trained by the beginning of the year. Training to deepen the understanding of curricular frameworks, especially in the incorporation of the Rigor, Relevance, and relationship matrices will continue. Another focus will continue to be the selection of appropriate instructional strategies for differentiating instruction for high-needs students including English learners. This differentiation will be provided through our acceleration program daily. Another significant action is a continued focus on providing extended day learning opportunities for more students and for a longer period of time, including during the school day. Further, we have increased opportunities for parents to engage in their students' learning through the Loving Solutions parenting classes. Finally, in light of school closures during the 2020-2021 school year and its impact on student's mental health, professional development opportunities for creating

greater capacity around Socio-Emotional Learning will be provided via a new SEL Curriculum "Second Step." Responding to the impact of the pandemic on our students' academic and socioemotional progress continues to define our SPSA. The achievement gap has never been greater between those "haves" and "have nots." We are responding to those needs.

## Needs Assessment -- Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward SPSA goals, local self-assessment tools, stakeholder input, or other information, what progress is the school proudest of, and how does the school plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for student groups, including low-income students, English learners, homeless youth, and foster youth have led to improved performance for these students.

## Greatest Progress

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward SPSA goals, local self-assessment tools, stakeholder input, or other information, of what progress is the school proudest, and how does the school plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for student groups, including low-income students, English learners, homeless youth, and foster youth have led to improved performance for these students

In developing the Title I Schoolwide Program plan, we gained insight from utilizing Panorama School Climate Surveys from 2019-2023, input from our parents at the Title 1 Targeted Assistance Student meeting, School Site Council members, Parent Informational Night meeting, and our Tier I Team M-SAP days. Based on our data from our three stakeholders, parents, students, and staff the following trends were identified.

### Panorama Stakeholder Perception Data

Parent Survey (106 parents responded using a scale of 1 - 5)

For all Topics (except 1) specific to our school, Reagan's favorable percentage increased by as much as 12% (Grit), only School Safety Declined, and that was by 1%:

This perception data exceeded DSUSD composite data from 3 to 14 percent.

Student Winter 2023-Skills and Competencies (SEL) Survey (346 students [grades 3-5] responded using a scale of 1 - 5)

These Topics were:

Self Management (70%) +2% over previous survey

Social Awareness (69%) +2% over previous survey

Growth Mindset (60%) +3% over previous survey

Grit (55%) +2% over previous survey

Self-Efficacy (55%) +4% over previous survey

In 2023, the Staff Survey (44 staff members responded using a scale of 1 - 5)

Staff-Leadership Relationships with teachers and Sense of Belonging for teachers both saw 3% increases.

## Greatest Needs

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category. Additionally, identify any areas that the school has determined need significant improvement based on review of state indicators, local performance indicators or other local indicators. What steps is the school planning to take to address these areas with the greatest need for improvement?

Based upon the analysis of available data focusing on prioritized needs for our students, areas that will be addressed are as follows:

Decreasing the chronic absenteeism for ALL STUDENTS will be a big priority. Working with families to understand when and how it is safe for students to be at school will be very important.

With the following Chronic Absenteeism indicators:

All Students 41.1%

English Learners 41.2%

SocioEconomically Disadvantaged 48%

Students with Disabilities 42.2 %

Hispanic 46.9%

White 34.1%

We need to make sure students are at school as much as it is safe for them to do so. Particular attention will be paid to Socioeconomically disadvantaged students and those with disabilities.

Schoolwide and every subgroup saw significant decline in academic performance on CAASPP State assessments in ELA and Math when compared to pre-pandemic levels. The new CAASPP Baseline data shows just how far we have to go, just to return to pre pandemic performance. Making up for Pandemic Learning loss will be paramount, especially for our English Learners, and Students with Disabilities. Math Learning gaps grew more than ELA learning gaps.

Utilizing analysis of i-ready data for the 2022-2023 school year (Winter Diagnostic):

In Reading: Schoolwide 55% (down from 72% in 2021-2022) were below grade level. Socioeconomically Disadvantaged students 62% (down from 76% in 2021-2022) were below grade level. Students with Disabilities 81% (down from 82% in 2021-2022) were below grade level. English Learners 68% (up from 65% in 2021-2022) were below grade level.

In Mathematics: Schoolwide 63% (up from 55% in 2021-2022) were below grade level. Socioeconomically Disadvantaged students 76% (up from 63% in 2021-2022) were below grade level. Students with Disabilities 80% (down from 89% in 2021-2022) were below grade level. English Learners 82% (up from 73% in 2021-2022) were below grade level.

In addition to ELA Acceleration time during the regular school day, Math Acceleration time will also be built into the school day schoolwide. A full time interventionist will support these endeavors. More opportunities for before and after school remediation, as well as Summer Academy will also work to remediate pandemic learning loss. Reagan will be part of DSUSD's Early Literacy program for the first time in 2023-2024.

## Performance Gaps

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. Additionally, identify any areas in which the school has determined there are significant performance gaps based on review of local performance indicators or other local indicators. What steps is the school planning to take to address these performance gaps?

From the California School Dashboard in 2022:

In ELA, Students with Disabilities scored 2 performance levels below the schoolwide performance. In Math, there were no groups 2 performance levels below the schoolwide performance, because schoolwide performance was already low. In examining Chronic Absenteeism, ALL groups were in the bottom performance level.

For our Suspension Rate indicator, students with Two or More Races, Students with Disabilities, and White students were 2 performance levels below the schoolwide performance.

Students with Disabilities will be a particular focus in many areas and endeavors for this upcoming year. Filling missing gaps in Math skills will be a new focus for all students. Continued efforts to reengage students and families in the COVID endemic era will improve attendance. Improving the implementation of MTSS and AVID schoolwide will reduce suspensions, improve attendance, and boost academic performance.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

The comprehensive needs assessment involved examining data from the California School Dashboard; local assessments, including iReady math and ELA, district benchmarks, and teacher-created assessments; and conversations with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and other stakeholders. There is a concern that students with disabilities are performing significantly below other student groups, and the District's Special Education staff will support the school with coaching for instructional strategies to better support the needs of those students in the classroom. The school has also identified the need for increased Math intervention for all subgroups due to pandemic learning loss.

# Need Assessment - Educational Partner Involvement

SPSA Year: **2023-24**

## Involvement Process for the SPSA and Annual Evaluation

How, when, and with whom did the school consult as part of the planning process for this SPSA development, evaluation, and analysis? (e.g., SSC and/or ELAC elections, trainings, meeting dates, etc., aligned to agendas and minutes)

The 2022-2023 SPSA was reviewed with our site Tier I Team, ELAC and School Site Council. The 2023-2023 SPSA was created using the feedback and input from our site Leadership Team, Panorama Survey Data, Tier I Team, ELAC, and our School Site Council Meetings. The SPSA was developed using our current data and needs assessment. Furthermore, the SPSA is based upon current LCAP and site specific goals. Clearly evident in the SSC Agendas and Minutes throughout the year is the regular monitoring of the implementation of the SPSA, and the school's progress towards meeting SPSA goals through the implementation of its Action Steps.

SSC Meeting (November 15, 2022):

- Purpose and Function of SSC (PP)
- New Budget Items & SPSA Review
- Discuss the end of SSC terms
- Discuss election of Officers
- Review SSC Roles and Responsibilities

Tier I Team Meetings (Round 1) (September 28-October 19 - 3 meetings) MTSS SCHOOL ACCOUNTABILITY PLAN (M-SAP) 2022-2023 :

Implementation Reflection and Fidelity Check

- Review SPSA and provide feedback for site goals and action steps. (Highlights, Strengths, Opportunities for Improvement, Performance

Gaps, and Increased/Improved Services)

- Develop M-SAP (Academic Action Plan)
- Set Goal for Math
- Set goal for Writing

SSC Meeting (December 13, 2022):

- SPSA Evaluation
- Reclassification Information
- Parent Needs Survey
- SSC Bylaws (Review and Approve)
- Parent Involvement Plan (Review and Approve)

SSC Meeting (January 31, 2023):

- Site Data Review and Analysis
- Budget Change Requests
- Review and Evaluate 2021-2022 SPSA (Successes, Challenges, Modifications)

SSC Meeting (February 21, 2023):

- Transfer Requests
- Review and Evaluate 2021-2022 SPSA (Successes, Challenges, Modifications)
- Preliminary discussion of the 2022-2023 SPSA based upon evaluation this year's SPSA.

Tier I Team Meetings (Round 2) (February 8 - 22, 3 meetings) MTSS SCHOOL ACCOUNTABILITY PLAN (M-SAP) 2022-2023 :

Implementation Reflection and Fidelity Check

- SPSA AAP: Goal Progress, Monitoring, Revisions, Planning for next year.
- SPSA EVAL: Successes, Challenges and Modifications (if needed). Discuss possible changes in "Focus Items" for 2023-2024, including SEL, ELL, and SWD
- SPSA Action items reviewed and analyzed, and initial thoughts for 2023-2024 discussed collaboratively

SSC Meeting (April 18, 2023):

- Initial full review of DRAFT form of 2023-2024 SPSA

SSC Meeting (May 2, 2023):

- Final Review of progress for 2022-2023 SPSA
- Discuss, approve, and recommend 2023-2024 SPSA (School Plan for Student Achievement) for Board approval.

ELAC SPSA updates and input was sought during ELAC meetings on October, 9, 2022; November 10, 2022, February 22, 2023 and input for 2023-2024 Draft discussed on April 6, 2023.

### **Impact on the SPSA and the Annual Evaluation**

How did these consultations impact the SPSA for the upcoming year?

The SPSA was modified and informed by input from these meetings and analysis of student performance data. This resulted in shifts in funding priorities for the upcoming year.

# Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the Consolidated Application (ConApp), and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI). Schools may include additional information or more detail, including graphics that are accessible to readers with disabilities.

Description	Amount
Total Title I Funds:	\$62,634.00
Total Centralized Services:	\$122,248
Total Supplemental Concentration Funds	\$110,883
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$173,517.00

## Supplemental Services

Identify each action or service for which the school will use federal categorical funds to provide supplemental services for eligible, at-risk students, including low-income students, English learners, homeless youth, foster youth, and others, as identified.

The school will use Title 1 Funds to pay for Supplemental Professional Development opportunities to improve instructional practices.

The school will use Title 1 Funds to pay for books for reading over Winter Break and Summer for all students.

The school will use Title 1 Funds to pay for intervention before/during/after school.

The school will use Title 1 Funds to pay for 1/2 FTE Bilingual Office Specialist to provide community outreach in English and Spanish to parents of at risk students in need of academic, social and behavioral support. This will include parent education and teacher/SST oral translation, as well as, scoring and assessment, student placement, and help with parent outreach to increase parent participation to supplement and enhance a safe positive school environment.

The school will use Title 1 funds to increase the Library Media Technician hours to provide additional access for students.

The school will use Title 1 Funds to pay guest teacher and/or collaboration time for the development of Universal Design for Learning lessons to facilitate access and success for Students with Disabilities.

The school will use Title 1 funds to pay for parent outreach and engagement activities including 2 sections of "Loving Solutions" Parenting classes.

**Conclusions based on this data:**

1. Reagan's Math scores continue to lag behind it's ELA scores.
2. Gains have consistently been made in both Problem Solving and Communicating Reasoning
3. More than 50% of Reagan students in grades 3-5 are Meeting or Exceeding standard in math

**Conclusions based on this data:**

1. Approximately two-thirds of Reagan English Learners scored in level 3 or above.
2. The Speaking Domain is a relative strength of Reagan English Learners as more than half scored as Well Developed.
3. The Reading Domain lags behind other scores for Well developed, but when considered with Somewhat/Moderately developed, is consistent with other Domains.

## Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
<b>801</b>	<b>62.0</b>	<b>20.0</b>	<b>0.7</b>
Total Number of Students enrolled in Ronald Reagan Elementary.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	160	20.0
Foster Youth	6	0.7
Homeless	5	0.6
Socioeconomically Disadvantaged	497	62.0
Students with Disabilities	79	9.9

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	16	2.0
American Indian	4	0.5
Asian	8	1.0
Filipino	10	1.2
Hispanic	522	65.2
Two or More Races	34	4.2
Pacific Islander	2	0.2
White	177	22.1

**Conclusions based on this data:**

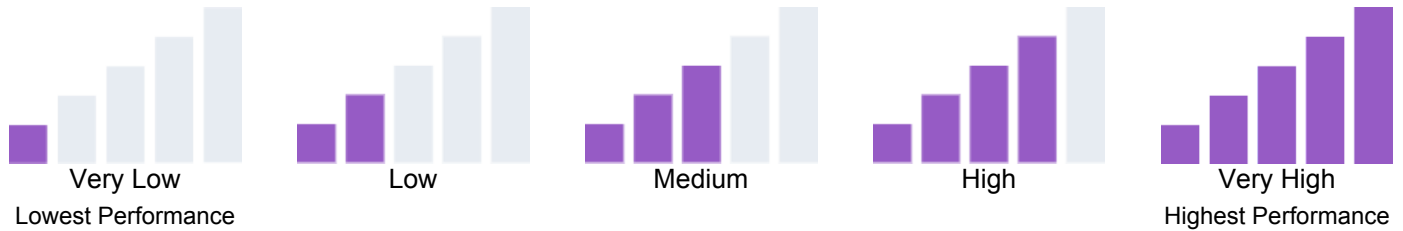

1. More than one-half of Reagan's students are Socioeconomically Disadvantaged, and one in five are English Learners.
2. We have two major Ethnicities. Reagan is more than 60% Hispanic, and almost 30% White.
3. Students with Disabilities account for more than 10% of the school population.

## Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

### 2022 Fall Dashboard Overall Performance for All Students

#### Conclusions based on this data:

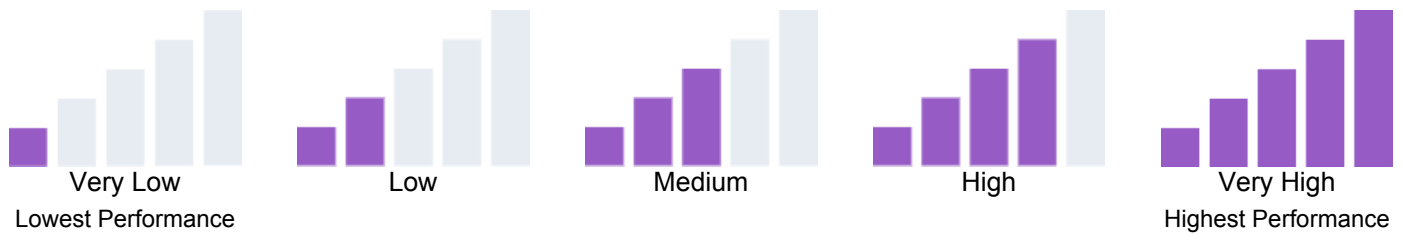

- Schoolwide, Reagan continues to maintain a color of Green in all four accountability measures.

**Conclusions based on this data:**

1. In ELA, distance from standard remained relatively flat, with only slight gains schoolwide.
2. Reagan's Socioeconomically Disadvantaged students and Students with Disabilities, increased enough to move them up 1 color over the previous year.

Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate for All Students/Student Group

**2022 Fall Dashboard Suspension Rate by Race/Ethnicity**

**Conclusions based on this data:**

- As Reagan focuses on alternatives to suspension and implementation of MTSS practices schoolwide our suspension rate has decreased to under 1% and has been relatively stable at 0.7% for two years.
- All reporting subgroups are green or blue reporting band.

# Annual Evaluation and Needs Assessment

## SPSA Year Reviewed: 2022-23

### Goal 1

All students will demonstrate growth as measured by federal, state and district assessments.

State Priorities addressed by this goal:

- State Priorities:
- Priority 1: Basic (Conditions of Learning)
  - Priority 2: State Standards (Conditions of Learning)
  - Priority 3: Parental Involvement (Engagement)

## Evaluation

Complete a copy of the following table for each of the school's goals from the prior year SPSA. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe your evaluation of the level of implementation of each action/service to achieve the articulated goal.

Fully Implemented Actions:

- 1.1 Students received instruction using standards-based State/District adopted core programs.
- 1.2 All English learners received daily designated English Language Development (ELD) instruction using curriculum based on ELD standards.
- 1.3 All English learners received daily integrated ELD provided across all content areas.
- 1.4 Instructional staff received additional support from Educational Services division to enhance English learners success through systemic professional development opportunities and support from district facilitators.
- 1.5 Through the District MTSS process, the Guiding Coalition used data to assess and monitor student progress, determine and address district and school wide instructional goals, and create an appropriate action plan to increase student achievement, including the implementation and analysis of i-Ready diagnostics and SEL.
- 1.7 Teachers continued to receive professional development on evidenced-based strategies to support all learners.

- 1.8 Provided an instructional coach to support teachers in best first instruction, intervention and enrichment.
- 1.11 Provided books for at home summer reading for all students.
- 1.12 Added and replaced quality books in the school library to supplement and enhance instruction which uses standards-based State/District adopted core programs, especially in support of the Dual Language Immersion Program. (Ref.1.1)
- 1.15 Provided extra duty hours to Guiding Leadership team for collaboration with the principal, coaches, to support first best instruction including supplemental analysis of student performance data to supplement the Central Office M-SAP process. (Ref. 1.6)
- 1.18 Increased the amount of library support provided by our library media technician to supplement and enhance instruction using standards-based State/District adopted core programs. (Ref.1.1) (1 hour per day for most school days)
- 1.19 Quality, researched based supplemental materials were purchased to supplement and enhance instruction using standards-based State/District adopted core programs. (Ref.1.1)
- 1.20 Provided funding for duplication of research-based instructional materials that to enhance and supplement standards-based State/District adopted core programs. (Ref. 1.1)

Partially Implemented Actions:

- 1.6 Provided during and after school reading, and ELD interventions for students not meeting standards.
- 1.9 Provided extra duty support for MTSS Site Lead to facilitate, communicate and implement the MTSS initiatives.
- 1.13 Provided technology components and software to supplement and enhance instruction which uses standards-based State/District adopted core programs. (Ref.1.1)
- 1.14 Teachers continued to receive professional development on effective research-based strategies to support all learners to supplement those provided by the Central Office, including conferences and SEL PD (and guest teachers for such events). (Ref. 1.8)
- 1.21 Provided during/after school tutoring for students that are not proficient in ELA and/or mathematics to supplement the efforts of the central office. (Ref. 1.7)

Minimally Implemented Actions:

- 1.10 Provided support for early literacy and foundational skills to support students below grade level. (Regan will be in the Early Literacy Cohort for the next school year)
- 1.16 Provided extra duty hours and/or guest teachers to enhance and supplement the use of data tools to analyze and monitor student progress, including through the SST and MTSS processes. (Ref. 1.5)
- 1.17 Provided few guest teachers for teacher release time to collaboratively plan instruction, observe lessons of colleagues, demonstrate model lessons for colleagues, and demonstrate technology integration for colleagues to supplement and enhance the professional development provided by the central office. (Ref. 1.8) (limited due to lack of guest teacher availability)

Describe your evaluation of the effectiveness (Did it work?) of each action/service to achieve the articulated goal as measured by the school.

Standards-driven instruction using first -best instructional practices coupled with a district provided phonics remediation program, a program for differentiated instruction for all students grades 3-5 and i-ready with other supplemental applications has been very effective in mitigation the learning gaps brought on by the pandemic. Additional supports through the counselor, MTSS, SEL instruction, and others have helped students reintegrate into a dynamic and rigorous learning community. After school intervention is targeting some specific skill deficits in each grade level to further close those gaps. ELD instruction has improved, but is still an area of growth. There is also a disconnect for our Dual Language Immersion students and their i-Ready Reading since there is not a personal pathway in Spanish for them. All they do is take the diagnostic to benchmark progress (K-2)

Explain material differences between Budgeted Expenditures for Categorical Funds and Estimated Actual Expenditures.

Differences between estimated and actual expenditures are due to a few reasons. Primarily, ESSERs funds have offset traditional supplemental and concentration expenditures. Secondly, several actions are ongoing or are as, yet, incomplete with additional expenditures still pending/forthcoming. Finally, a lack of guest teachers severely limited our ability to provide the professional development and PLC opportunities we had hoped to provide.

Based on this evaluation, an analysis of the California School Dashboard, and the school's needs assessment, describe any changes made to this goal, to the expected outcomes, the metrics, or the actions and services to achieve this goal. Identify where those changes can be found in the SPSA.

Additional resources will be used to fund before/after school intervention beginning earlier in the school year and running for a longer duration. Some digital supplements were underutilized and will be discontinued, while a few others will expand to additional grade levels.

Describe your evaluation of the effectiveness (Did it work?) of each action/service to achieve the articulated goal as measured by the school.

Schoolwide AVID Elementary and McCallum's AEP contributed greatly to a highly engaging and positive college/career going culture. Attendance has been severely impacted by the pandemic.

Explain material differences between Budgeted Expenditures for Categorical Funds and Estimated Actual Expenditures.

Supplemental funds for enrichment were not spent, as ELOP funded all after school enrichment.

Based on this evaluation, an analysis of the California School Dashboard, and the school's needs assessment, describe any changes made to this goal, to the expected outcomes, the metrics, or the actions and services to achieve this goal. Identify where those changes can be found in the SPSA.

Providing enrichment opportunities will be funded through ELOP and dropped from SPSA. AVID Funding will be increased.

3.13 To improve campus safety hired above the formula for school site monitor to bring the position to the required 3.75 hours daily. (Ref. 3.4)

Describe your evaluation of the effectiveness (Did it work?) of each action/service to achieve the articulated goal as measured by the school.

Implemented actions have helped improved overall attendance and decrease chronic absenteeism, they have also improved campus climate as demonstrated in student panorama surveys. We still have a lot more work to do to get chronic absenteeism down closer to pre-pandemic levels.

Explain material differences between Budgeted Expenditures for Categorical Funds and Estimated Actual Expenditures.

We did not contract for tier 3 counseling services this year because the district added SAP counseling support. We did not use the funds for additional yard supervisor staff due to the general fund dollars available due to employee absence.

Based on this evaluation, an analysis of the California School Dashboard, and the school's needs assessment, describe any changes made to this goal, to the expected outcomes, the metrics, or the actions and services to achieve this goal. Identify where those changes can be found in the SPSA.

We will not be contracting with Jewish Family Services for outside counseling support next year. We will be adopting and implementing Second Step SEL curricula school wide for next year. We will continue to plan for above the formula SSM hours.

# Goals, Actions, & Services

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal 1

All students will demonstrate growth as measured by federal, state and district assessments.

State Priorities addressed by this goal:

- State Priorities:
- Priority 1: Basic (Conditions of Learning)
  - Priority 2: State Standards (Conditions of Learning)
  - Priority 3: Parental Involvement (Engagement)
  - Priority 4: Pupil Achievement (Pupil Outcomes)
  - Priority 8: Other Pupil Outcomes (Pupil Outcomes)

## Identified Need

Based upon the analysis of available data focusing on prioritized needs for our students, areas that will be addressed are as follows:  
 Increasing the English Language Arts achievement for English Learners (29.6 points below standard) and Students with Disabilities (85.8 points below standard) will be our goal for 2022-2023. Our i-Ready goal will be for 75% all students to reach their growth target based on I-Ready diagnostic assessment data, and for 40% to reach their growth target by the Spring diagnostic assessments.  
 Increasing the Mathematics achievement for English Learners (58.3 points below standard) and Students with Disabilities (111.4 points below standard) will be our goal for 2022-2023. Our i-Ready goal will be for 75% all students to reach their growth target based on I-Ready diagnostic assessment data, and for 40% to reach their growth target by the Spring diagnostic assessments.  
 These subgroups were selected due to the large difference between school wide performance and the subgroup performance.  
 Using Professional Development Opportunities to improve teaching and learning for all students, as well as providing supplemental materials and remediation opportunities for underperforming students will help close these gaps.

# Goals, Actions, & Services

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal 2

All students will graduate and be prepared to make a successful transition to further education and/or career opportunities.

State Priorities addressed by this goal:

- State Priorities:
- Priority 4: Pupil Achievement (Pupil Outcomes)
  - Priority 5: Pupil Engagement (Engagement)
  - Priority 6: School Climate (Engagement)
  - Priority 7: Course Access (Conditions of Learning)
  - Priority 8: Other Pupil Outcomes (Pupil Outcomes)

## Identified Need

Based upon the analysis of available data focusing on prioritized needs for our students, areas that will be addressed are as follows:

Decreasing the chronic absenteeism for Socioeconomically Disadvantaged Students. According to the 2019 Dashboard, Socioeconomically Disadvantaged students had a 11.4% chronic absentee rate with a performance category of yellow and a decline of 0.9%. There is an absence of dashboard data for 2020 due to the pandemic. According to the DSUSD Data warehouse measure for chronic absenteeism, the rate rose to 12.4% in 2021-2022, this skyrocketed to 42.4% schoolwide due to the pandemic.

This subgroup has become our focus because it encompasses the greatest number of students (53.4%), and the majority of both English Learners and Students with Disabilities also fall under this subgroup as well. Therefore, getting positive growth in closing the performance gaps for this group will have the greatest impact on all the identified subgroups.

Creating more engaging positive learning environments through the Aesthetic Education Program and providing the structures and supports of AVID schoolwide will create a more college and career ready culture and climate.

## Expected Annual Measurable Outcomes

# Programs Included in this Plan

Enter the appropriate choice below for each state and federal program in which the school participates. Enter the amounts allocated for each program in which the school participates and, if applicable, indicate that the program's funds are being consolidated as part of operating a schoolwide program (SWP). The plan must describe the activities to be conducted at the school for each of the state and federal programs in which the school participates. The totals on these pages should match the cost estimates in the SPSA and the school's allocation from the ConApp.

Note: For many of the funding sources listed below, school districts may be exercising Categorical Program Provisions options (flexibility) with information available at <http://www.cde.ca.gov/fg/ac/co/documents/sbx34budgetflex.doc>  
**Of the four following options, please select the one that describes this school site.**

Select from: This site operates a SWP and consolidates only applicable federal funds as part of operating a SWP.

**Federal Programs --** From the following options, please enter those from which the school receives funding. Include the allocation amount, and enter "yes" or "no" if the program is consolidated as part of the schoolwide program.

<p><b>Title I, Part A: Allocation Purpose:</b> To improve basic programs operated by local educational agencies (LEAs).  <b>Title I, Part A: Parental Involvement</b> (if applicable under Section 1118[a][3][c] of the Elementary and Secondary Education Act) Purpose: Ensure that parents have information they need to make well-informed choices for their children, more effectively share responsibility with their children's schools, and help schools develop effective and successful academic programs. (This is a reservation from the total Title I, Part A allocation).  <b>Title II, Part A: Improving Teacher Quality Purpose:</b> Improve and increase the number of highly qualified teachers and principals.  <b>Title III, Part A: Language Instruction for Limited-English-Proficient (LEP) Students Purpose:</b> Supplement language instruction to help LEP students attain English proficiency and meet academic performance standards. (Title III funds may not be consolidated as part of a SWP )  <b>Title VI, Part B: Rural Education Achievement Program Purpose:</b> Provide flexibility in the use of ESEA funds to eligible LEAs.  <b>For School Improvement Schools only: School Improvement Grant (SIG) Purpose:</b> to address the needs of schools in improvement, corrective action, and restructuring to improve student achievement.  <b>Other federal funds</b> (list and describe). Create a new row for each separate program.</p>
---

Title III funds are not a school level allocation even if allocated by the district to a school site. The LEA is responsible for fiscal reporting and monitoring and cannot delegate their authority to a site at which the program is being implemented. If Title III funds are spent at a school site, they must be used only for the purposes of Title III and for those students the LEA has identified for services. For more information, please contact the Language Policy and Leadership Office at 916-319-0845.
