## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

This Amistad School Plan for Student Achievement (SPSA) is aligned with the District's Local Control and Accountability Plan through collaboration with the District in examining state and local data as part of a comprehensive needs assessment; developing goals, measurable outcomes, and strategies, actions and services that are aligned with those of the district; providing supplemental services that support improved performance for high-needs students; and developing a system for monitoring and evaluating the efficacy of the plan in achieving its goals.

## 2020-23 Plan Summary

## The Story

Describe the students and community and how the school serves them.

Amistad High School is a continuation school that serves the students in grades ten through twelve within Desert Sands Unified School District and the Coachella Valley. Located in Indio, a majority of students come to Amistad High School for credit recovery and, upon earning sufficient credits, have the option to return to their home school or graduate from our school. In 2022-23, Amistad was not designated as a Title 1 school wide secondary institution despite a total of 97.2% of our students identified as socioeconomically disadvantaged. Amistad has 37.2% English learners, and 2.5% of students who have been reclassified as English Proficient. 4.1% of the student population are on an IEP. The school's Fall 2021 enrollment was 216, of which 87.0% of students are of Hispanic descent, 8.3% of students identify as white, 2.3% African American, and 1.6% other ethnicity/not reported. During the 2021-22 school year, 5.6% of students were identified as homeless youth and 2.1% were classified as foster youth.

Amistad follows a quarter system and students have opportunity to complete five courses every 8-10 weeks, depending on the school calendar. Amistad has two additional periods that are offered outside of the regular school day, 0 period and 6th period, which allows students the option of recovering more credits towards graduation. Amistad offers enrollment to students within Desert Sands Unified School District during the first two weeks of each quarter. Schools within the district work in coordination with Amistad counselors to provide this option for students in hopes of ensuring graduation within a student's four-year goal. Students that do not complete high school graduation requirements within a four-year period will have the option of a 5th year through Amistad's Independent Studies program.

Amistad also provides a Career Technical Education (CTE) Automotive Technology pathway as well as college credit opportunities for students. Starting in the Fall of 2021, Amistad's Automotive Technology pathway has transitioned to four new college credit (dual enrollment) courses. In addition, Amistad hosts 12 units of college credit courses through COD Construction. Courses include: Introduction to Construction Technology, Thermal and Moisture Protection, Drywall Installation and Finish, Exterior Finish, Preparation and Layout, Masonry Fundamentals, Concrete & Formwork, and Roof Applications. Both the Automotive Technology and Construction programs allow students to earn both high school and college credit while working towards certifications that can lead to either a career or continue training at College of the Desert.

Amistad offers extra-curricular opportunities for students such as clubs, ASB and athletics. These are intended to foster the school community while providing outlets for students to develop and explore their interests. Students in ASB attend various leadership conferences and trainings. These students also have ample availability to hone their leadership skills through campus events, parent/community outreach and district functions.

Amistad High School has a clear focus to meet the needs of students who may face language and/or economic barriers. Supporting our site is a full time assistant principal, instructional coach, and part-time bilingual community tech. This demonstrates a clear commitment from our Board of Education to continue to meet the high expectations and performance goals set by our certificated and classified staff as well as implement best practices in alternative education.

## SPSA Highlights

Identify and briefly summarize the key features of this year's SPSA.

The SPSA was developed with input from a variety of educational partners including members of the school Academic and Tier I MTSS Leadership Teams, the School Site Council, ELAC, other staff, community members and students all providing suggestions and feedback on plan elements for our school-wide Title I program. The actions and strategies within our 2022-23 SPSA support our efforts to increase rigor, relevance, and school connectedness to maintain high levels of engagement and academic achievement.

Professional development will be expanded to include restorative practices, mindfulness, trauma informed practices, and co-teaching with a focus on PLCs. We will continue our work with AVID, EL Literacy Strategies, and Rigor and Relevance. Additionally, science and social studies teachers will engage in professional development on curriculum aligned with California's standards for science and social studies. Teachers will be trained in best first instruction, and in the selection of appropriate strategies for differentiating for high-needs students including English learners by focusing on integrated English Language Development, as well as designated ELD. Students who struggle academically and socially will receive intervention support. A focus on providing tiered academic interventions will also be highlighted in our SPSA.

Further, we have increased opportunities for parental involvement and participation by offering parent/family workshops on how they can better support their child's success in school; in addition to providing parents with a list of parent involvement activities for the entire school year.

The Plan focuses on the following areas: academic achievement, climate and culture, and parent participation. To address these areas, the school will:

1. Provide all students with excellent first instruction, academic support, and support for regular attendance.
2. Teachers will be trained in effective first teaching strategies, including embedded, integrated English Language Development. A large focus on PLCs and the effective use of DuFour's will be embedded in professional learning and tier 1 instruction.
3. Interventions and support to meet the needs of students to ensure student success academically, socially, emotionally, and behaviorally.
4. Parent programs and events such as Eagle Family Night and other parent and family engagement activities.

## Needs Assessment -- Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward SPSA goals, local self-assessment tools, stakeholder input, or other information, what progress is the school proudest of, and how does the school plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for student groups, including low-income students, English learners, homeless youth, and foster youth have led to improved performance for these students.

## Greatest Progress

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward SPSA goals, local self-assessment tools, stakeholder input, or other information, of what progress is the school proudest, and how does the school plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for student groups, including low-income students, English learners, homeless youth, and foster youth have led to improved performance for these students

Graduates

iReady participation

Goals developed based on our needs are in the areas of academic achievement (math, ELA, and ELD-Linguistic achievement) as reflected on iReady diagnostic (three times/year), ELPAC and CAASPP scores.

Goals will be developed to close the academic achievement gap for the following:  
students with disabilities.

developed to address the linguistic needs of English learners as identified by the ELPAC results. and through the number of the students eligible for reclassification.

Additionally, school wide student and staff safety will be a priority with a goal that will be assessed using both suspension rates and students and staff survey data through the yearly Panorama survey.

Goal 1 (academic progress in Math and Reading) showed positive gains based on our i-Ready diagnostic results. In both Reading Informational Text and Math Numbers and Operations we showed a decrease in the number of students two or more grade levels behind (i-Ready Winter Diagnostic 2022 compared to i-Ready Winter Diagnostic 2023).

Goal 2 showed positive progress related to college going experience. We are awaiting our 22-23 ELPAC scores to determine our progress on EL progress, however, our EL showed progress on the iReady diagnostic (focus vocabulary) by decreasing 13% of our EL students who are 2+ grade levels behind in vocabulary.

Goal 3 showed positive gains related to suspensions in comparison to the 21-22 school year. In addition, positive growth seen on Panorama Survey for Students from the 21-22 school year.

## Greatest Needs

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category. Additionally, identify any areas that the school has determined need significant improvement based on review of state indicators, local performance indicators or other local indicators. What steps is the school planning to take to address these areas with the greatest need for improvement?

Attendance continues to be a challenge for Amistad . During the 2022-23 school year, Amistad approached attendance through a tiered system of support - including our first Tier 2 targeted group - with the help of a SAP counselor. We also had our two counselors intervene with the "power to be present" workshops. We look forward to continuing our work to monitor student attendance, document our efforts and incentivize attendance and encourage/motivate our students. The Amistad staff and site leadership team made significant strides in becoming a PLC community with regular cycles of assessment, modification, and reteaching.

The need for academic interventions is very clear at Amistad. Amistad will continue an after school intervention called "small groups" to assist in credit recovery. After seeing great success during the second semester of the 2021-22 school year, we look to continue our Tier 3 Intensive after school EL cohort.

Our panorama survey indicates a need to work on student self-management  
EL student population needs schoolwide use of strategies by all teachers.

## Performance Gaps

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. Additionally, identify any areas in which the school has determined there are significant performance gaps based on review of local performance indicators or other local indicators. What steps is the school planning to take to address these performance gaps?

While EL students at Amistad are making progress towards a diploma, they are still struggling to make progress towards English Proficiency. They are also significantly lower in ELA and Math as per the CA dashboard. Amistad's use of Professional Learning Teams (PLTs) . Amistad's use of a zero and sixth period credit recovery class and a sixth period ELD support class will continue to support our students with difficulty in language

Our EL and White population reported a much lower than average response on self -efficacy, or how much they believe they can succeed in achieving academic outcomes.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

AHS covers a large geographical area as it relates to our students in special education, often needing to cross the entire West Valley to receive adequate support. This is because we are the only Alt ed. SDC program in the district. We need to provide more support and engage with public transportation authorities to perhaps provide bus routes to our campus. College and career is often overlooked for our students as many of them don't fulfill A-G requirements.

There is no female security staff on campus, often leaving us unable to respond to restroom calls or address concerns. Students with an IEP tend to isolate themselves and don't "push in" socially.

# Need Assessment - Educational Partner Involvement

SPSA Year: 2023-24

## Involvement Process for the SPSA and Annual Evaluation

How, when, and with whom did the school consult as part of the planning process for this SPSA development, evaluation, and analysis? (e.g., SSC and/or ELAC elections, trainings, meeting dates, etc., aligned to agendas and minutes)

Amistad continues to work on new ways to engage stakeholders in a variety of ways. This year we had two FAFSA nights, an Eagle Info Night, and quarterly Progress Report Distribution events. Stakeholder input continues to be solicited at School Site Council Meetings, ELAC meetings, ASB meetings, and district trainings. Student, Staff, and Stakeholder surveys are made available periodically throughout the year. In addition, the staff at Amistad provides input on our efforts through the MTSS fidelity rubric, EL Roadmap, and the Inclusive practices self-assessment tool. All parent groups have completed elections by like peers.

## Impact on the SPSA and the Annual Evaluation

How did these consultations impact the SPSA for the upcoming year?

The SPSA continues to be examined and, when necessary revised periodically throughout the school year by the Site Leadership Team and SSC. The Guiding coalition Team is comprised of department chairs and program leaders. The same group conducts an evaluation of the plan following full review and feedback from School Site Council. Recommendations are then formulated following the full evaluation on the Site plan during Guiding coalition meetings, tier I and II days, as well as from members of the School Site Council.

# Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the Consolidated Application (ConApp), and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI). Schools may include additional information or more detail, including graphics that are accessible to readers with disabilities.

Description	Amount
Total Title I Funds:	\$31,727
Total Centralized Services:	\$136,974
Total Supplemental Concentration Funds	\$102,199.00
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$133,926.00

## Supplemental Services

Identify each action or service for which the school will use federal categorical funds to provide supplemental services for eligible, at-risk students, including low-income students, English learners, homeless youth, foster youth, and others, as identified.

Attendance to parent events was consistently low. \$17,000 of Title I and \$300 of S/C will be used to engage parents through a bilingual community liaison that can promote outreach to parents.  
ELD strategies, PLC and inclusive training is paramount for our teachers to be able to reach all students. \$27,000 in S/C and \$8900 in Title I will be used for teacher staff development and training in these areas.  
Our students need appropriate interventions and access to health and wellness as part of their MTSS plan. \$50,000 in S/C funds will be used to build in structured interventions and materials/supplies for students' emotional and mental health.

Grade 10	1	1	
Grade 11	44	80	73
Grade 12	171	174	136
<b>Total Enrollment</b>	216	255	209

### Conclusions based on this data:

1. Overall, the enrollment at Amistad has somewhat steady, but is noted as slightly increased.
2. A majority of the students served at Amistad are 12th graders, with only few 10th graders enrolled.
3. A majority of the students enrolled at Amistad are Hispanic.

Fluent English Proficient (FEP)	41	56	48	19.00%	22.0%	23.0%
Reclassified Fluent English Proficient (RFEP)	2			2.6%		

### Conclusions based on this data:

1. While our school's overall enrollment has slightly declined, the number of English Learners has increased.
2. The percentage of Fluent English Proficient students at Amistad has once again increased after a downturn trend last year.
3. The percentage of RFEP has dramatically decreased over the past three years

Conclusions based on this data:

1. For the first time, there is a small number of students meeting standards in math overall.

2. In math, AHS' greatest strength comes in communicating reasoning, with more than half the student near or above standard.
3. Students are still further behind in math than in ELA.

**Conclusions based on this data:**

1. ELPAC Overall performance indicates an increase in Level 4 students.
2. ELPAC Speaking performance indicates our greatest achievement as indicated by the number of well developed students.

3. ELPAC Reading performance indicates minimal increase in well developed, while the beginning number increased overall. Reading continues to be the focus.

## Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
255	85.1	34.1	0.4
Total Number of Students enrolled in Amistad High (Continuation).	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	87	34.1
Foster Youth	1	0.4
Homeless	15	5.9
Socioeconomically Disadvantaged	217	85.1
Students with Disabilities	71	27.8

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	5	2.0
American Indian	1	0.4
Asian	1	0.4
Filipino		
Hispanic	233	91.4
Two or More Races	2	0.8
Pacific Islander		
White	12	4.7

**Conclusions based on this data:**

1. Amistad has a high percentage of SED students.
2. A majority of students at Amistad are Hispanic.
3. SWD make up nearly 28% of Amistad's population. This is a very high number and a source of concern for instructional and support purposes.

## Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

### 2022 Fall Dashboard Overall Performance for All Students

<b>English Language Arts</b>  Very Low	<b>Graduation Rate</b>  High	<b>Suspension Rate</b>  Medium
<b>Mathematics</b>  Very Low		
<b>English Learner Progress</b>  VeryLow		
<b>College/Career</b> Not Reported in 2022		

**Conclusions based on this data:**

1. All academic indicators are at the very low level.
2. Suspension and graduation rate continue to be a source of pride for our school.
3. A school wide commitment to our EL students and SWD is a priority at Amistad.

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

## 2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

## 2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

<p>135.4 points below standard</p> <p>21 Students</p>	<p>4 Students</p>	<p>106.7 points below standard</p> <p>30 Students</p>

### Conclusions based on this data:

1. Our equity report puts our two significant groups (SED and Hispanic) in the very low stage.
2. The distance from 0 for EL students is over 33% further than from the general population.
3. Reading and responding to information text has been a priority in all classrooms at Amistad.

<p>208.1 points below standard 21 Students</p>	<p>4 Students</p>	<p>199.8 points below standard 31 Students</p>

**Conclusions based on this data:**

- Student groups across the campus of Amistad continue to struggle in math.
- English Learners are not that much different than EO in math. Both have a significant distance from 0.

3. Many Amistad students do not have the requisite courses that the state mathematics assessment covers. Gaps in learning, caused from a number of reasons, is a challenge for students.

37.5%	28.1%	3.1%	31.3%

#### Conclusions based on this data:

1. About 1/3 of EL students at AHS increased at least one level
2. At Amistad 38% of EL students are declining.

3. EL progress remains an area of concern and focus at Amistad. Amistad has a clear need to support all levels of EL students.

## Academic Performance College/Career Report

College/Career data provides information on whether high school students are prepared for success after graduation based on measures like graduation rate, performance on state tests, and college credit courses. College/Career data was not reported in 2022.

### Conclusions based on this data:

1. There is no data in this indicator.
2. Graduation rates continue to be a point of pride for AHS
3. Our FAFSA completion has increased significantly due to the fact that it is now a graduation requirement.

### Conclusions based on this data:

1. No data reported (K-8 only)

2. Potential area of growth and need for improvement
3. The ability to work remotely leads to lower attendance rates.

**2022 Fall Dashboard Graduation Rate for All Students/Student Group**

**2022 Fall Dashboard Graduation Rate by Race/Ethnicity**

**Conclusions based on this data:**

1. Two of our focus groups (Hispanic and SED) received a high rating in our equity report.
2. Graduation rates continue to climb at Amistad
3. SWD is a group that has a significantly lower graduation rate than the general population.

**2022 Fall Dashboard Suspension Rate by Race/Ethnicity**

**Conclusions based on this data:**

1. No SWD students were suspended.
2. 3 of our other significant groups maintained a medium suspension rate (Hispanic, EL, SED)
3. Overall, this continues to be an area of strength for Amistad. As the suspension rate continues to decrease, the work of Amistad staff on MTSS is evident.

## Evaluation

Complete a copy of the following table for each of the school's goals from the prior year SPSA. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe your evaluation of the level of implementation of each action/service to achieve the articulated goal.

Most actions were implemented. There are a few that were over or short because of miscalculations of expenses in conferences (Under) and subs (Over)

Describe your evaluation of the effectiveness (Did it work?) of each action/service to achieve the articulated goal as measured by the school.

iReady completion rates and scores were much higher this year than last. Math scores went up for all students and the Hispanic subgroup.

Explain material differences between Budgeted Expenditures for Categorical Funds and Estimated Actual Expenditures.

Differences in price calculations. It was also logistically difficult to get subs for conferences so that was modified.

Based on this evaluation, an analysis of the California School Dashboard, and the school's needs assessment, describe any changes made to this goal, to the expected outcomes, the metrics, or the actions and services to achieve this goal. Identify where those changes can be found in the SPSA.

More money will be spent on helping students remediate D and F rates as well as low literacy levels. Less money will be spent on conferences as it is difficult to get coverage.

Complete a copy of the following table for each of the school's goals from the prior year SPSA. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe your evaluation of the level of implementation of each action/service to achieve the articulated goal.

All actions and services were implemented as planned.

Describe your evaluation of the effectiveness (Did it work?) of each action/service to achieve the articulated goal as measured by the school.

We increased FAFSA rates, graduation plans, rate, students applying for college or post secondary including all sub groups. Senior studies class provided several opportunities for parents to have FAFSA help. Need some AVID implementation and career inventory test. Parent workshops not well attended.

Explain material differences between Budgeted Expenditures for Categorical Funds and Estimated Actual Expenditures.

There were none or minimal.

Based on this evaluation, an analysis of the California School Dashboard, and the school's needs assessment, describe any changes made to this goal, to the expected outcomes, the metrics, or the actions and services to achieve this goal. Identify where those changes can be found in the SPSA.

We plan to increase college and post secondary trips for all students to explore more careers. All other services would remain the same.

## Evaluation

Complete a copy of the following table for each of the school's goals from the prior year SPSA. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe your evaluation of the level of implementation of each action/service to achieve the articulated goal.

Describe your evaluation of the effectiveness (Did it work?) of each action/service to achieve the articulated goal as measured by the school.

Explain material differences between Budgeted Expenditures for Categorical Funds and Estimated Actual Expenditures.

Based on this evaluation, an analysis of the California School Dashboard, and the school's needs assessment, describe any changes made to this goal, to the expected outcomes, the metrics, or the actions and services to achieve this goal. Identify where those changes can be found in the SPSA.

# Goals, Actions, & Services

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal 1

All students will demonstrate growth as measured by federal, state and district assessments.

State Priorities addressed by this goal:

- State Priorities:
- Priority 1: Basic (Conditions of Learning)
  - Priority 2: State Standards (Conditions of Learning)
  - Priority 3: Parental Involvement (Engagement)
  - Priority 4: Pupil Achievement (Pupil Outcomes)
  - Priority 5: Pupil Engagement (Engagement)
  - Priority 6: School Climate (Engagement)
  - Priority 8: Other Pupil Outcomes (Pupil Outcomes)

## Identified Need

The following are areas of need for the 2021-22 school year:

Amistad HS will increase our ELA Academic Indicator, as measured by DASS and ELPAC, in the areas reading, listening and writing.

Amistad HS will increase our Mathematics Academic Indicator, as measured by DASS, in the areas problem solving and communicating reasoning.

Amistad HS will examine effective strategies and best practices in Professional Learning Communities and continuation/alternative education in order to increase student learning and performance on assessments.

# Programs Included in this Plan

Enter the appropriate choice below for each state and federal program in which the school participates. Enter the amounts allocated for each program in which the school participates and, if applicable, indicate that the program's funds are being consolidated as part of operating a schoolwide program (SWP). The plan must describe the activities to be conducted at the school for each of the state and federal programs in which the school participates. The totals on these pages should match the cost estimates in the SPSA and the school's allocation from the ConApp.

Note: For many of the funding sources listed below, school districts may be exercising Categorical Program Provisions options (flexibility) with information available at <http://www.cde.ca.gov/fg/ac/co/documents/sbx34budgetflex.doc>  
**Of the four following options, please select the one that describes this school site.**

Select from: This site operates a SWP and consolidates all applicable funds as part of operating a SWP.

**Federal Programs --** From the following options, please enter those from which the school receives funding. Include the allocation amount, and enter "yes" or "no" if the program is consolidated as part of the schoolwide program.

<p><b>Title I, Part A: Allocation Purpose:</b> To improve basic programs operated by local educational agencies (LEAs).  <b>Title I, Part A: Parental Involvement</b> (if applicable under Section 1118[a][3][c] of the Elementary and Secondary Education Act) Purpose: Ensure that parents have information they need to make well-informed choices for their children, more effectively share responsibility with their children's schools, and help schools develop effective and successful academic programs. (This is a reservation from the total Title I, Part A allocation).  <b>Title II, Part A: Improving Teacher Quality Purpose:</b> Improve and increase the number of highly qualified teachers and principals.  <b>Title III, Part A: Language Instruction for Limited-English-Proficient (LEP) Students Purpose:</b> Supplement language instruction to help LEP students attain English proficiency and meet academic performance standards. (Title III funds may not be consolidated as part of a SWP )  <b>Title VI, Part B: Rural Education Achievement Program Purpose:</b> Provide flexibility in the use of ESEA funds to eligible LEAs.  <b>For School Improvement Schools only: School Improvement Grant (SIG) Purpose:</b> to address the needs of schools in improvement, corrective action, and restructuring to improve student achievement.  <b>Other federal funds</b> (list and describe). Create a new row for each separate program.</p>
---

Title III funds are not a school level allocation even if allocated by the district to a school site. The LEA is responsible for fiscal reporting and monitoring and cannot delegate their authority to a site at which the program is being implemented. If Title III funds are spent at a school site, they must be used only for the purposes of Title III and for those students the LEA has identified for services. For more information, please contact the Language Policy and Leadership Office at 916-319-0845.
