Welcome to Dr. Carreon Academy- home of the Carreon Comets. We are committed to providing a learning environment where students, parents, teachers, administration, staff, and community focus their time and energy ensuring ALL of our scholars are learning in a respectful, collaborative environment. Our AVID culture promotes a college and career ready environment. Our instructional staff works diligently to provide a welcoming and rigorous learning environment, where not only academics but 21st Century Learning Skills are demonstrated in everyday learning. Through collaboration, our learning community focuses on reading, writing, mathematics, and science skills based on the Common Core State Standards. Our goal is to ensure that all students are able to critically think through rigorous and relevant learning opportunities in a college ready culture.

In addition to providing a strong core academic curriculum, we strive to enrich student learning through a balanced educational program. We work to create an academic, physical, emotional, social, and safe environment where everyone can learn and respect one another. We provide a variety of after-school enrichment opportunities for our students. These include: the ASES Program, and ELOP Clubs such as math, drama, art, Fuel up to Play 60, band, and several sports opportunities such as flag football, soccer, and street hockey. Students are recognized for their academic and social achievements at monthly assemblies as "Scholars" and "Heroes". Attendance awards, Music Awards, Character awards, and the Comet Champions Award are also a part of our monthly student recognition programs. Students have the opportunity to earn Fire Awards and Cosmo's Class Awards as well when they demonstrate they are safe, kind, respectful, and responsible.

I invite you to visit Dr. Carreon Academy to experience a community of adults committed to creating a learning community that provides opportunities for greater academic achievement, meaningful interactions, and a safe, caring environment for all of our students.

Physical Fitness

In the spring of each year, Dr. Reynaldo J. Carreon Jr. Academy is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2022-23					
Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5	98/73%	94.94%	94.94%	93.67%	93.67%

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

In the administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in *Teacher Preparation and Placement*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, school newsletters, the school website, social media, Class DoJo App, and School Messenger (automated telephone message delivery system). School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Dr. Reynaldo J. Carreon Jr. Academy's original facilities were built in 2002; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Dr. Reynaldo J. Carreon Jr. Academy. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning
- MPR cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Cleaning desktops and whiteboards
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Dr. Reynaldo J. Carreon Jr. Academy on an annual basis in accordance with Education Code §17592.72(c)(1). Dr. Reynaldo J. Carreon Jr. Academy uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, December 05, 2023. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2023-24, all restrooms were fully functional and available for student use at the time of the inspection.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, school staff are strategically assigned to designated entrance areas and the playground. During recess, school staff supervise playground activity. School staff monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, school staff monitor student behavior to ensure a safe and orderly departure.

Dr. Reynaldo J. Carreon Jr. Academy is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor Security System and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Dr. Reynaldo J. Carreon Jr. Academy in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this

plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff by March 1, 2024.

Classroom Environment

Discipline & Climate for Learning

Dr. Reynaldo J. Carreon Jr. Academy's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom following our MTSS protocols for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation. Dr. Reynaldo J. Carreon Jr. Academy also employs a schoolwide incentive program to support our schoolwide expectations -- safe, kind, responsible, respectful.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Dr. Reynaldo J. Carreon Jr. Academy revolve around the California State Content Standards and Frameworks. During the 2022-23 school year, Dr. Reynaldo J. Carreon Jr. Academy held staff development training devoted to:

Instructional Materials

All textbooks used in the core curriculum at Dr. Reynaldo J. Carreon Jr. Academy are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 03, 2023, the Desert Sands Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 08/2023-2024 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, Desert Sands Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or

instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.
