Principal's Message

Welcome to Carrillo Ranch Elementary School, located in Indio, California. Established in 2005, Carrillo Ranch Elementary empowers students with rigorous learning environments and exploration through visual and performing arts. We tap into each student's passion, whether it be music, band, dance, art, theater, sports, clubs, or creative design in our makerspace. Our amazing school consists of over 470 talented children and 70 dedicated staff members who are committed to building relationships to promote social, emotional, artistic, and academic growth in all students and staff to benefit our global community.

District Mission

To inspire and nurture every student ... one opportunity at a time.

District Vision

We will be the district of choice to successfully prepare every student for college, career, and life.

School Description

Carrillo Ranch Elementary School is located in the western region of Indio and serves students in grades transitional kindergarten through five following a traditional calendar. At the beginning of the 2022-23 school year, 492 students were enrolled, including 9.6% in special education, 34.8% qualifying for English Language Learner support, and 81.5% qualifying for free or reduced price lunch.

Student Achievement

Physical Fitness

In the spring of each year, Carrillo Ranch Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

| Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2022-23 | | | | | |
|---|----------------------------------|--|---|---|-----------------------------|
| Grade | Component 1: Aerobic Capacity | Component 2: Abdominal Strength and Endurance | Component 3: Trunk Extensor and Strength and Flexibility | Component 4: Upper Body Strength and Endurance | Component 5: Flexibility |
| 5 | 95.35% | 97.67% | 97.67% | 96.51% | 97.67% |

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

In the administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or

fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in *Teacher Preparation and Placement*, including the Teacher Credentials & Misassignments chart; *Instructional*

Materials, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering or participating in a decision-making group.

Parents stay informed on upcoming events and school activities through school newsletters, the school marquee, the school website, optional teacher emails for parents who subscribe, Twitter, weekly page preview via email/text message, and the School Messenger (automated telephone message delivery system). Contact the school office at (760) 238-9700 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Carrillo Ranch Elementary School's original facilities were built in 2005; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work

order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Carrillo Ranch Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Carrillo Ranch Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Carrillo Ranch Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, October 18, 2023. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2023-24, all restrooms were fully functional and available for student use at the time of the inspection.

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, staff, and school site monitors are strategically assigned to designated entrance areas. During recess, teachers supervise playground activity. The principal and school site monitors supervise lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, staff, and school site monitors monitor student behavior to ensure a safe and orderly departure.

Carrillo Ranch Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor Security System and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Carrillo Ranch Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff by March 1, 2024.

Classroom Environment

Discipline & Climate for Learning

Carrillo Ranch Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Positive behavioral intervention supports are utilized schoolwide for all students to understand school rules and to reward those demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair and consistent manner based upon the nature of each situation.

Pupil Engagement

Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Carrillo Ranch Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Carrillo Ranch Elementary School revolve around the California State Content Standards and Frameworks. During the 2022-23 school year, Carrillo Ranch Elementary School held staff development training devoted to:

- English Language Instructional Strategies
- Data Analysis
- Professional Learning Communities (PLCs)
- Multi-Tiered System of Supports (MTSS)
- Early Literacy
- Trauma Informed Care

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Carrillo Ranch Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the

opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2021-22, 2022-23, and 2023-24 school years, Carrillo Ranch Elementary School's teachers had the opportunity to attend the following events hosted by the Desert Sands Unified School District:

2021-22 Training:

Instructional Materials

All textbooks used in the core curriculum at Carrillo Ranch Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 03, 2023, the Desert Sands Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 08/2023-2024 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, Desert Sands Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Carrillo Ranch Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Carrillo Ranch Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

| Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2022-23 | | |
|--|--------------|-----|
| | No. of Staff | FTE |
| Academic Counselor | 0 | 0 |
| Counselor | 1 | 1.0 |
| Instructional Coach | 1 | 1.0 |
| Library Media Technician | 1 | 1.0 |
| Nurse | 1 | 0.2 |
| Occupational Therapist | 1 | 0.2 |
| Psychologist | 1 | 0.4 |
| Speech/Language/Hearing Specialist | 1 | 0.6 |

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Preparation and Placement

The charts below identify the number of teachers at Carrillo Ranch Elementary School, Desert Sands Unified School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly

assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Carrillo Ranch Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

SARC Data

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Carrillo Ranch Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Desert Sands Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section were acquired in October 2023. Data to prepare the school facilities section were acquired in January 2024.
