## Principal's Message

Welcome to Thomas Jefferson Middle School, an Advancement Via Individual Determination (AVID) school of distinction. In our school's Annual School Accountability Report Card, parents will find valuable information about our academic class achievement, professional staff, curricular programs, instructional programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Thomas Jefferson Middle School holds high expectations for its staff and students. We use research-based instructional strategies, including AVID, that is focused on State Standards. Students are frequently assessed to monitor their progress in meeting grade-level standards.

Staff members are highly trained and personally committed to meeting the learning needs of all students. We are dedicated to providing quality academic instruction in a safe environment for our students each day. Parents and community members are invited to join us as we prepare our students for college and beyond. Together as a team, we continue to make Thomas Jefferson a distinguished school, where we are committed to ensuring high levels of learning for all students.

At Thomas Jefferson Middle School our vision is to ensure high levels of learning for all students for future success.
We are committed to building a culture of:

- Perseverance, academic endurance, and resilience
- Student responsibility
- Empathy among students and the community
- Innovation
- Integrity and respect
- Leadership

## District Mission

To inspire and nurture every student ... one opportunity at a time.

## District Vision

We will be the district of choice to successfully prepare every student for college, career, and life.

## School Vision

Thomas Jefferson Middle School's mission is to develop traits of resilience, academic endurance, and innovative thinking while promoting/instilling positive social skills.

## School Description

Thomas Jefferson Middle School is located in the eastern region of Indio and serves students in grades six through eight following a traditional calendar. At the beginning of the 2022-23 school year, 538 students were enrolled, including 12.1\% in special education, 39.2\% qualifying for English Language Learner support, and $94.1 \%$ qualifying for free or reduced price lunch.

## Student Achievement

## Physical Fitness

In the spring of each year, Thomas Jefferson Middle School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

|  | Physical Fitness Test <br> Percentage of Students Meeting California Fitness Standards 2022-23 |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Grade | Component 1: Aerobic Capacity | Component 2: <br> Abdominal Strength and Endurance | Component 3: <br> Trunk <br> Extensor and Strength and Flexibility | Component 4: <br> Upper Body Strength and Endurance | Component 5: <br> Flexibility |
| 7 | 48.15\% | 88.27\% | 82.10\% | 82.10\% | 80.25\% |

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
In the administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas.

## California Assessment of Student Performance and <br> \section*{Progress}

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities.

Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) - State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in Teacher Preparation and Placement, including the Teacher Credentials \& Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities \& Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) - State Priority 2 : Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement - State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement - State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) - State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout \& Graduation Rates, including the Dropout chart; and Graduation Requirements, including the Graduation Rate chart for high schools only.

School Climate - State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline \& Climate for Learning, including Suspension \& Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) - State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes - State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through a weekly newsletter, flyers, parent conferences, the school website, Facebook, Twitter, Instagram, SchoolMessenger (automated telephone message delivery system), the electronic marquee, and parent newsletters. Contact the school office at (760) 863-3660 for more information on how to become involved in your child's learning environment

## School Facilities \& Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Thomas Jefferson Middle School's original facilities were built in 1947; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Thomas Jefferson Middle School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Cleaning desktops and whiteboards
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

## Facilities Inspection

The district's maintenance department inspects Thomas Jefferson Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Thomas Jefferson Middle School uses a school site inspection survey to identify unsafe or
hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, October 23, 2023. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2023-24, all restrooms were fully functional and available for student use at the time of the inspection.

Rating Description
Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, teachers on duty, one school site monitor, Solutions Center staff, and two security agents patrol the campus, entrance areas, and designated common areas. Administrators, one school site monitor, Solutions Center staff, and two security agents monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, Solutions Center staff, and two security agents monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Thomas Jefferson Middle School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor Security System and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Thomas Jefferson Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff by March 1, 2024.

## Classroom Environment

## Discipline \& Climate for Learning

Thomas Jefferson Middle School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Positive Behavior Interventions and Supports (PBIS) are used in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by the school administrator in an equitable and consistent manner based upon the age of the student and the incident that occurred.

## Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

## Pupil Engagement

## Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Thomas Jefferson Middle School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

## Curriculum \& Instruction

## Staff Development

All training and curriculum development activities at Thomas Jefferson Middle School revolve around the California State Content Standards and Frameworks. During the 2022-23 school year, Thomas Jefferson Middle School held staff development training devoted to:

- Advancement Via Individual Determination (AVID)
- Data Analysis
- Instructional Strategies
- English Language Development (ELD)
- Classroom Management
- Restorative Justice Practices
- Kagan Strategies
- Reading/Language Arts Interventions
- Rigor and Relevance
- Professional Learning Communities (PLCs)
- Literacy Strategies

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Thomas Jefferson Middle School supports ongoing professional growth throughout the year on minimum days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2021-22, 2022-23, and 2023-24 school years, Thomas Jefferson Middle School's teachers had the opportunity to attend the following events hosted by the Desert Sands Unified School District:

## 2021-22 Training

- i-Ready
- AVID Strategies
- Synergy Assessment
- Digital Citizenship
- Mystery Science
- Coding

2022-23 Training:

- i-Ready Math Curriculum Support
- ICLE - Rigor, Relevance, Relationships and Engagement
- Process Writing
- Neurodiversity Training
- Digital Citizenship
- Integrated ELD
- Universal Design for Learning (UDL)
- Measuring Student Outcomes
- Educational Technology

## Instructional Materials

All textbooks used in the core curriculum at Thomas Jefferson Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 03, 2023, the Desert Sands Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 08/2023-2024 which certifies as required by Education Code $\S 60119$ (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, Desert Sands Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## Professional Staff

## Counseling \& Support Staff

Thomas Jefferson Middle School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Thomas Jefferson Middle School's students. Full-time equivalent (FTE) is a standard
measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50\%) of the week.

## SARC Data

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about Thomas Jefferson Middle School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard
The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

## Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Desert Sands Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section were acquired in October 2023. Data to prepare the school facilities section were acquired in January 2024.
