

Student Assistance Program (S. A. P.) Advisory Meeting

The SAP Advisory is a community-wide meeting that provides ongoing communication and collaboration between educators, professionals, parents and community members regarding services benefiting our youth. For over 33 years, the SAP Advisory meeting has been successfully hosted at the Betty Ford Center. During this interactive meeting, members share expertise, specialized programs and announce upcoming events held within their organization.

Meetings are held every 3rd Tuesday of the month during the school calendar year.
